

Good News Series.

The "Good News" is an evangelistic Bible teaching audio-visual.

It presents a 40 Bible picture overview from Creation to Christ's resurrection and also presents basic teaching on the Christian Life. It is particularly suited to bring the Gospel message and basic Christian teaching to literate and non-literate people. The pictures are clear and brightly coloured to attract those who may not be used to visual teaching presentations.

The "Good News" is available in A3 size flip chart, A5 size Booklet and A7 size Booklet.
