

Global Recordings Network UK... Open Day

Recently we had an "Open Day" to promote our work to existing and potential new prayer partners and supporters. We wanted to celebrate three things. The 75 years since Global Recordings was founded, our name change from Language Recordings UK to Global Recordings Network UK and to show people our new office here at the Clare Charity Centre in Saunderton.

The day was well attended by many local friends and some who travelled from other parts of the UK. The event was aimed at showing people the work of our unique mission, our resources and materials which we have available. It was great to be able to explain in detail what our Mission is about.

We shared the history of the work and showed how it had grown over the years with many offices around the world.

Kenny spoke about the vision of our work of "Telling The Story of Jesus in Every Language" and showed short video clips of our recording teams in action in many different countries.

He shared about the work in the UK and the recording and distribution projects that have been done and of those in planning. We wanted to encourage people to be involved in whatever way was good for them.

We told stories of our recording and distribution trips to many countries in Europe and beyond to give them a wider perspective of the work of GRN.

It was a great time of fellowship and after a light lunch we took small groups upstairs to our

new office. We demonstrated the CD/DVD copying and downloading facility etc.

Kenny explained the recording and editing process and how the new recording programs are produced. We shared about the use of the Internet and mobile phone technology to reach people in their own language and where ever they are in the world.

In all it was a great day and we want to thank all who came and for those who prayed and supported this celebration and promotion event. We Praise the Lord for the privilege of being involved in this amazing work of Global Recordings Network worldwide. Thank you for all of you who play your part.

God Bless you.

Kenny McKee.
