

GRNUK PAKISTAN TRIP

PHOTOS FROM OUR
RECENT TRIP

SEPTEMBER 2016

Our recent visit to Lahore, Pakistan...

Joan and I arrived in Lahore airport Pakistan to see thousands of people staring at these two white people arriving. I immediately thought of the verse "...look at the fields, they are ripe for harvest". (John 4:35). This was to be one of the most amazing places we have ever been to.

Our friends picked us up & as we travelled to the GRN Pakistan office, we were amazed at the traffic going in all directions. Millions of motor bikes, rickshaws & donkeys pulling trailers. The temperature was in the 30s most of the time. We had come to help up-grade train one of our field recordists Salas. He was a wonderful

student & we spent the next 3 weeks together.

The team of nine people led by Sam & Rakhil were so good to us. We loved meeting many families & hearing their stories. The recordist training went really well. We got to go to a Pakistan wedding, ride on rickshaws & on the back of motorbikes.

PHOTOS FROM LAHORE

Despite news media about Pakistan, we found the people so friendly & welcoming. There are many churches & passionate Christians here who depend on prayer for everything. We loved & enjoyed the culture, the noise & sounds of the busy city. One thing that is unique to us all as Christians, is that we are all His Family, no

matter what language we speak or which country we come from. It was so refreshing to see churches pressing forward in a Muslim country.

Thank you for all who prayed & supported our travel, safety & time in Lahore. Please pray for the GRN Team there. We praise The Lord for His provision & this wonderful opportunity to visit Pakistan. We hope to visit again someday.

Bye for now.
Kenny & Joan.
